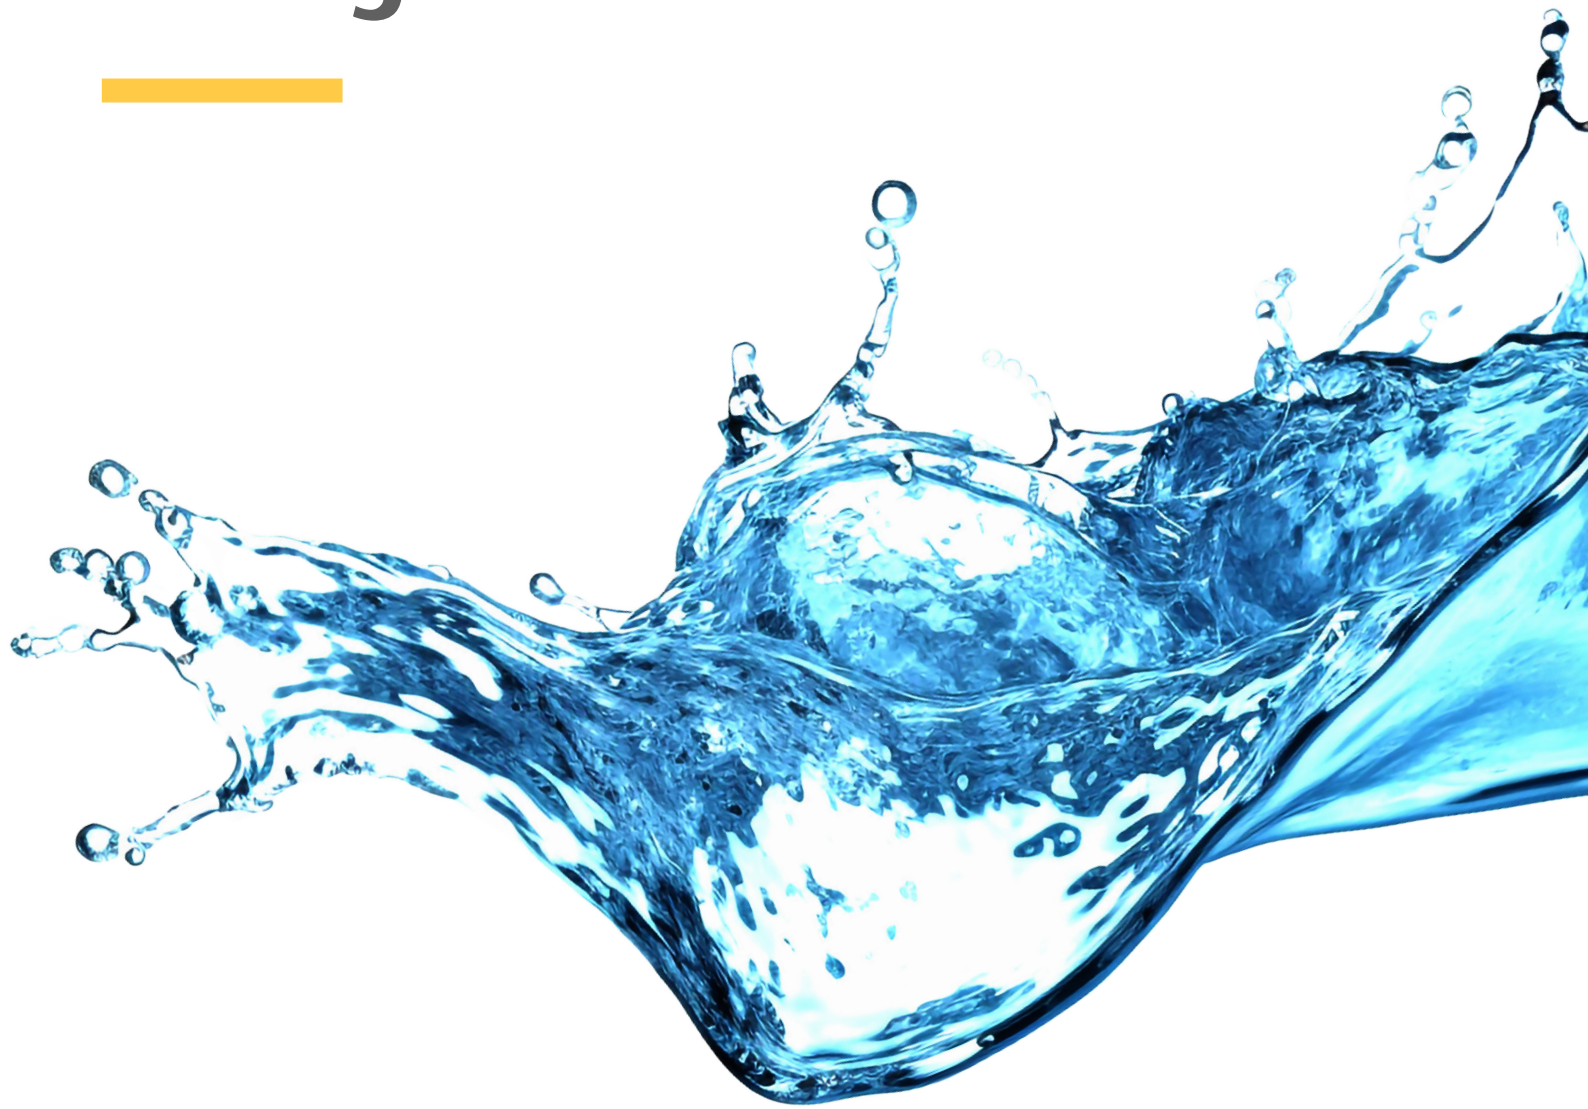
Shaping The Future Of Surface Water Management Solutions



Drainage Systems

Products

- Building Drainage system
- External Drainage Systems
- Separator Systems
- Stainless Steel Drainage Systems
- Landscape and Sports Field Drain Systems

DRAINAGE SYSTEMS

Services

- MEP Design and consultancy Services.
- Plumbing Contracting Services
- Stainless Steel Drain manufacturing.

Industries

Automotive Industries

- Manufacturing plants .

Transport Industries

- Airports and Ports .
- Bus and Railway terminus.

Defense Industries

- Airports hanger and Maintenance Depot.

Food Industries

- Dairy Products
- Slaughter Houses and Meat Processing
- Beverage Industries
- Bakeries
- Industrial Kitchen and catering

Health Industries

- Hospitals and laboratories
- Pharmaceuticals Plants
