Scope Chemicals Pvt. Ltd.

DOCK BUMPERS

Dock Bumpers protect your docks from damages caused by reversing trucks to improve site safety and also reduce maintenance cost. They are available in various sizes depending upon your requirement. There are 3 types of dock bumpers depending upon their durability and impact resistance. Dock bumpers are easy to install with use of anchor fasteners or can be welded to metal channels on the top edge of the dock. Our Heavy duty tire bumpers come with a 1 year's replacement warranty and have an expected durability of 3 to 4 years under extreme conditions.

Scope Chemicals Pvt. Ltd.
