Procter&Gamble

Procter & Gamble,
Hyderabad

3/15/2021

INQUIRY COVER SHEET:

Dear Supplier:

This invites you to submit a fixed price proposal for P&G, Hyderabad, Dist. Telangana, Andhra Pradesh, India as mentioned per the attached drawings/specifications and schedule.

See additional instructions below.

This and all other documents, emails, and verbal/written communication related to this project must be kept in strict confidence. All communication will happen via meetings, email and hard copy.

Minority Business (MBE) spends should be included in your proposal if possible. Please list the MBE suppliers and the % of spend. P&G would like to evaluate vendor proposed LCS options including, but not limited to, industry standard vs. P&G spec, used/refurbished equipment, and sourcing from low wage rate regions. MBE and LCS options will be criteria in determining Best Total Value.

A highly competitive response is anticipated; therefore, you are encouraged to submit your best bid in response to this inquiry.

Noncompetitive bidders may not be invited to participate in bid reviews or cost and clarity meetings at the discretion of the project team. P&G reserves the right to question and negotiate portions of the bid that are unclear or out of line and to accept all or any part of your proposal. P&G reserves the right to award only each portion of the project based on business need.

This purchase will be governed by PO T&C's (https://www.pgsupplier.com/en-US/current-suppliers/purchase-orders-terms-and-conditions) or current signed agreements in place between the parties.

Thank you for your interest in this inquiry. I look forward to receiving and reviewing your offer. If you have any commercial questions, please contact me directly at singh.r.61@pg.com. If you have any technical questions, please contact P&G plant project person as mentioned.

Best Regards,
Rajdeep Singh,
Sourcing Buyer
The Procter & Gamble Company
Low Dollar Spend

INQUIRY INSTRUCTIONS

1. Inquiry Milestone Schedule Information

- Proposals due to P&G at close of business on mentioned date
- Ship all material to P&G plant as mentioned – Please confirm how soon you can deliver.

2. Time of Proposal Submission

- Proposals must be sent via email to Rajdeep singh at singh.r.61@pg.com in their entirety on or before the mentioned date.
- Concurrent with submittal of proposal, Vendor must send a detailed Milestone Schedule.
- Concurrent with submittal of proposal, Vendor must send a statement of acceptance of the standard P&G terms & conditions (attached).

3. Method of Proposal Submission

- All proposals should be strictly uploaded in Coupa within the bid submission.

4. Contents of Proposal - Conformance to Requirements

- Vendor shall review all attachments and instructions with care. Failure to completely review all attachments and notes will not be deemed just cause for claims or error.
- Vendor's base bid shall conform in all respects to applicable specifications, drawings, terms and conditions, or any other documents forming part of this inquiry.
- Vendor is to communicate in writing any deviations or comments necessary to ensure that the Vendor has a clear understanding of the General Equipment Standards and Requirements. For items not included in the Vendors' design, clearly identify the exception to the specifications and other requirements, alternate solutions, and cost difference.
- Vendor is encouraged to offer other designs as alternatives ONLY as options where all deviations or exceptions to the specifications are noted and clearly defined.

5. Consideration and Award

- Any questions about compliance with this specification should be addressed prior to completing the quotation. If no request for clarification is requested, P&G will assume all the applicable specifications contained within will be met by the proposal.

- Right of Acceptance – P&G reserves the right to accept other than the lowest proposal and to accept or reject any proposal or potion of a proposal, or to reject all proposals without notice or reasons, and if no proposal is accepted, to abandon the work or have the work performed in such other manner as P&G may elect.

- The submission of a proposal indicates acceptance by Vendor of any and all conditions contained herein. Any exceptions to specifications, documents attached to inquiry, drawings, terms and conditions, or any other document must be clearly called out and set forth in Vendor's proposal.

- Vendor must provide a separate attachment to proposal describing alternative options and indicating the resulting change in the proposed base price.
- Among the items we will consider in evaluating Vendor's proposal are:
    - Quality and success of the Engineering/Design Program
    - Quality of the Fabrication
    - Fixed Pricing (including Low Cost Solutions (LCS))
    - MBE spend (requested target 10% of base price)
    - Schedule predictability/firm schedule
    - Supply and control of subcontractors and the labor force
    - Acceptance of Buyer's contract terms and conditions as supplied in attachment to inquiry.
    - IP Ownership
    - Complete drawing package
    - Completeness of all requested technical and performance data included in the inquiry, as well as any commercial aspects, are critical and will influence the overall evaluations

6. Execution

Information from the successful Vendor's completed proposal, and all revisions to the inquiry, of which notification has been received and recorded in the proposal, will be incorporated in the contract documents. Upon acceptance, P&G will issue a purchase order to the selected Vendor.

7. Additional Information

Destruction of P&G Document Files

In the event the Seller decides not to submit a Proposal, Seller must inform Buyer and will be required to delete all documents from all electronic storage. Unsuccessful Sellers will be required to delete all documents from all electronic storage. In either case, no document may be shared with anyone. All documents are the property of P&G and may contain proprietary information.

8. Commercial Instructions:

Please follow below commercial instructions and comply with the instruction provided in the attached statement of requirement.

- Please quote costs separately for freight DAP P&G Plant as mentioned (INCOTERM 2020).
- Firm delivery schedule from date of award to final shipment.
- The quotation shall not include any tax.
- Payment Terms: NET 120 days, for MSME it will remain as NET 45 days
- All non-standard features or deviation from the given specification are to be itemized as options with their costs.
- Please submit your proposal certifying that your proposal will remain valid for 365 days from the date you submit it.
