TERMS & CONDITIONS

1. GST COMPLIANCE: Payments will be released for invoices against which GSTR1 and GSTR2 are exactly matching.
2. ACCEPTANCE OF THE ORDER: Order acceptance must be conveyed to us within 7 days of order / amendment. If no reply received within 7 days of P.O. date it will be considered that you have accepted the order unconditionally.
3. DELIVERY: Please deliver goods at our works or other destination if specified without any extra charge, and submit Challan in duplicate along with goods.

The supplier must mark the consignment and corresponding Invoice, Challan etc. With P.O. No., Description of the item and Code / Drawing No as specified on Purchase Order. Failure to do so may result in delay in acceptance of and payment for the material received.

Material will be accepted on Factory working days between 9.00 a.m. to 12.00 a.m. and 1.30 p.m. to 4.00 p.m. only. Invoice in TRIPLICATE must accompany the Delivery Challan while handling over material at M & P Works. Separate Invoice should be sent for each Order and Challan. When the supplies are send by Rail, the Railway Receipt Number and Date as well as Order Number and date should be mentioned on each Invoice. In case of despatch to other destination, Invoice in Triplicate along with One set of all despatch documents must be sent to Materials Department, Maharashtra India.

4. DESPATCH: While despatching the material ordered, the order number with Drawing Number or Code number must be visibly marked on the outside packages. Supplies of material must be accompanied by relevant Delivery Challan giving reference to Order No., Date and Code No / Drawing No. Material received by the company is excess of quantity orderwill not be accepted and it the same is not removed from the company's premises after due information (thereof given) the goods will remain in the Company's premises at suppliers risk.

Material must be despatched within the time and subject to conditions specified in the order otherwise the company will be at liberty to cancel the order and purchase the material in the OPEN MARKET against the supplier and recover the loss if any from Original Supplier.

In case the company accepts, as special case delayed material, supplier would be liable to penalty for later delivery at 1% per week or part thereof.

5 INSURANCE: Goods despatched on our behalf anywhere in India are insured with "Bajaj Allianz General Insurance Co. Ltd". You are requested to intimate us immediately on despatch of material. In case the material under our instructions is despatched to destination other than our works it is important to send an information to consignee also.

6. INSPECTION: If the company finds on receipt and after machining,

material supplied are not of the contract quality or not according to the specification required by the company or we received it in damaged or broken condition or otherwise are not satisfactory owing to any reasons of which the Company shall be sole judge, the company will be entitled to reject the material, cancel the contract and buy its requirement in the OPEN MARKET against the supplier and receive the loss if any from the supplier.

The rejected material will have to be collected by the supplier from works at his own cost within 10 days of receipt of our G.I. and Inspection Report Copy. If rejected material is not collected within 10 days, the Company would dispose off material without any compensation to supplier.

In exceptional case or special request the rejected material will be arranged to be send to the suppliers on "Freight to Pay" basis.

7. WARRANTY: Material/Equipment would be covered under Company's warranty clause valid for 18 months from commissioning or 24 months of supply whichever is earlier. In case material found defective or failto perform as per agreed parameters within warranty period, supplier would set right material or replace the same within 2 weeks of intimation from Company otherwise the Company would procure material from other source and recover the loss from supplier.

8. PAYMENT: To assist company in clearing outstanding bills, a

statement showing outstanding bills at the end of each month should be sent to the accounts dept. & materials dept., Maharashtra India , by the 10th of next month indicating purchase order no., bill no. etc.

When documents are negotiated through bank, the bank charges will be borne by supplier.

9. ARBITRATION: In all cases of disputes the decision of the Company shall be final

10. ENVIRONMENT: Suppliers should make themselves aware of Mather &

Platt's Environmental Policy and abide by the principles of the policy.Supplier shall avoid using banned items / chemicals in their manufacturing process and packaging used should be ECO friendly.

11. PUC CERTIFICATE FOR VEHICLE:

12. MSDS: Whenever you are going to supply any hazardous substances, you should provide MSDS (Material Safety Data Sheet) in either soft or hard form to WILO Mather and Platt Pumps Pvt. Ltd. along with your first supply.

Please ensure that vehicle in which you are dispatching the material is having P.U.C.
