'We Make Possible'

"NIHVA" specializes in providing integrated solutions in factory and warehouse automation, standard and customized material handling solutions and door automation. Apart from this, for any project our activity commences from understanding the requirement, functionality, designing & solution to installation and commissioning.

We understand the importance of manpower in providing such services to our esteemed customers and therefore we have best engineers to ensure trouble free services. Our values and culture drive team empowerment and trusted customer relationships. Our business partners / associates are global market leaders & specialize in application knowledge. The combination of this knowledge & our expertise allows us to appreciate unique business challenge and to support you with the most efficient solution.

"NIHVA" has always been strongly supported by world leaders in automation. Our commitment is to execute projects with highest quality, on time & within the budget, while adhering to safety, health and environmental standards and to get established as an icon in providing best engineering services.

Scope of our business is - 'Design, Manufacture, Assembly, Supply, installation, commissioning and servicing of automated doors, customised material handling equipment and SPMs'

"NIHVA" business activities are divided into three divisions

- Door Automation
- Automation Solutions
- Material Handling Equipment

Our International Business Partners

- NIHVA is authorised business partner of Assa Abloy entrance systems
- Albany GMBH - Germany
- Mega doors - Sweden
- Crawford - Sweden

NIHVA operates normally in 1 shift a day and occasionally runs the second shift to meet demand spike.
