

Distribution & Logistics: Schenker & Co AG, Austria — Modernization – Safety

"Thanks to the modernizations by ASSA ABLOY Entrance Systems we achieve maximum safety levels with all our door and docking facilities."

ASSA ABLOY ENTRANCE SYSTEMS
Maintenance & Modernization

"Maximum safety levels for people and goods"

As a certified TAPA company, the Schenker & Co AG group with its twelve branches and numerous secondary warehouses in Austria places maximum value on safety not only for goods but also for employees.

So the express order of DB Schenker Austria's management to ASSA ABLOY Entrance Systems was to increase safety for goods and people whilst cutting costs.

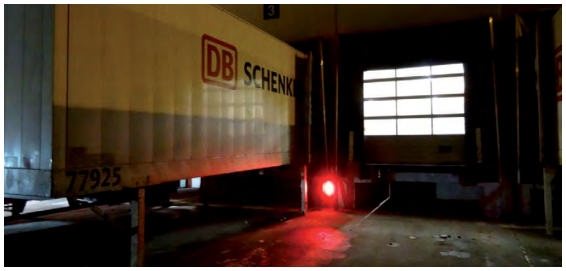

The complete solution offered by ASSA ABLOY Entrance Systems totally convinced Schenker & Co AG Austria;

With an annual "Bronze" service agreement for over 1,500 Besam pedestrian- and Crawford industrial doors, Albany high-speed- and fire protection doors, as well as Crawford docking stations, ASSA ABLOY Entrance Systems guarantees to meet maximum service standards by providing regular maintenance, statutory safety inspections and a 24 hr service hotline.

The modernization kits also provide greater safety.

Key results:

- Simplification of the branches' TAPA certification, with double security locking of loading doors.
- Better lighting of the loading area with parking guides and loading lights.
- Reduction of crash damage to dock shelters.
- Fault-free security status of all facilities with high quality standards during checks and maintenance.
- Massive cost reductions with standardised supplier bundling.

ASSA ABLOY Entrance Systems is a leading supplier of entrance automation solutions for efficient flow of goods and people. With our globally recognized product brands Besam, Crawford, Megadoor and Albany, we offer products and services dedicated to satisfying end-user needs for safe, secure, convenient and sustainable operations.
