Maintenance & Modernization

"With a reliable partner like ASSA ABLOY Entrance Systems we can be even faster and better."

As a global leading provider and partner for world-wide express deliveries and logistics services, TNT Express relies on competent staff, reliable business partners and punctual delivery of shipments every day to link up companies, markets and people worldwide in a responsible way.

In order to handle this major responsibility even better, TNT Express was looking for a strong business partner and so set ASSA ABLOY Entrance Systems a mission – to save TNT Express time, money and effort!

A convincing proposition for TNT:
With the "Annual Bronze" service agreement for more than 100 systems in six central warehouses, ASSA ABLOY Entrance Systems now guarantees to provide the highest standards of service and quality, regular maintenance, statutory safety inspections and a 24-hour service hotline, providing maximum efficiency as well as time and cost savings.

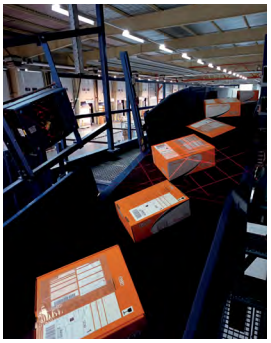

The results in brief:

- Increased efficiency and cost savings by reducing from nine suppliers to one contact person for the whole of Austria, generating a time saving of at least 25 hours per supplier per year.
- Competent service for all systems from all brands and everything from one source.

"I am delighted with the solution-oriented staff at ASSA ABLOY Entrance Systems." says Mr David Kristen, Purchasing Supervisor at TNT Express.
