Re: Sprech Modular Tensile Structures for Shade Sail.

Dear Sir,

We thank you for your enquiry and as per the discussion you had with me, we give below our offer. We also take this opportunity to introduce our company:

SPRECH, Italy is a world leader in Modular Tensile Structures since over 25 years and designs, produces and distributes its products throughout the world.

SPRECH, Italy has now set up a large & modern fabric and steel manufacturing facility at GIDC Por, Vadodara (Gujarat) with the world's best equipment to offer Modular Fabric Structures of European Quality & Design to the Indian market.

SPRECHModular Fabric Structures can be used for multipurpose applications like Open Air Cafeteria, Temporary Events, Toll Plazas, Sports Areas, Car Parking, Resort Tents, Warehouse, Temporary Storage, Gas Stations, and Cover in Open Terrace etc….

Advantages of SPRECH Modules:

- Modules being in ready to fit condition can be installed at site easily thereby reducing site work.
- Modules can be added from all the sides, if required.
- Galvanized Finish gives a long and trouble free life.
- Easy to remove and re install.
- Specifications meet requirements for public area safety.
- Top cover is made with Architectural fabrics which have excellent UV, Fire Retardancy properties and a very long life.

With Warm Regards & Best Wishes,
