

OWNER

1. All structural, mechanical and electrical drawings shall be read jointly with the architectural drawings in order to establish a complete list of works.

2. The contractor shall verify all dimensions, details, specifications & site conditions & shall report any error, omission and/or anomaly to the architect before commencement of work.

3. For construction purposes, the dimensions shall not be measured directly on the drawings. The drawings shall not be used for construction until they are issued as good for construction.

4. All door and window openings shall be verified as per schedule.

5. This drawing, as an instrument of service, is the exclusive property of ondesign architects and may not be reproduced and/or copied without prior permission. The information shown on this drawing is for use on the specified project only, and shall not be used otherwise.
