Part 3. System Advantage

Details	 Aluminum	6063-T5 full new aluminum profile (30 years' warranty on the structure,not rusting)	/	/
	 Polycarbonate sheet	Shanghai HUILI Brand 100% German raw material with 50μm UV Coating (10 years' warranty on aging or yellowing,CE certificated & test report available)	 Installation screws	304 stainless steel screws and bolts with system screw Hat (Make sure the installation stable and beautiful)
		Top quality 304 stainless steel connection joiner (thickness over 3.5mm,holding the aluminum structure)	 Rubber seal	Chinese Top brand ''Haida'' EPDM rubber seal (best weather proof ability over 10 years)

*** Price available for 1 month.***

Part 4. Additional information

/

- *** Loading ability:** 150kg/sqm Snow load(50cm),150KM/HR wind load
- *** Warranty:** 10 years' warranty on polycarbonate,30 years on aluminum structure
- *** Stock Color:** Coffee brown & Champagne For aluminum,Deep grey & Light grey & Clear for polycarbonate
- *** Payment term:** 50% deposit， Balance before delivery
- *** Delivery Time:** 25-40 working days once bank receipt received and workshop drawings signed&approved.
- *** Packing way:** polywood case+plastic belts+protective film+PE foam
- *** Container Loading:** 200-300㎡ for one 20ft container,400-600㎡ for one 40ft container.

Part 5. Packing & Material details

Aluminum profiles packing

Polycarbonate sheet roll packing

Loding into the contaier

With plywood box
