Overhead sectional door
Crawford 370

ASSA ABLOY

ASSA ABLOY Entrance Systems

The global leader in door opening solutions

Highly insulated overhead sectional door

The Crawford 370 overhead sectional door is designed to be used in applications where high insulation values are needed. In specific areas like the food processing industry where temperature control is essential the Crawford 370 is the perfect entrance solution.

The high quality, 70 mm thick, sandwich panel provides optimal insulation values and corrosion protection.

Glazing
The door sections can be glazed with Insulated Double Acrylic Glass windows, in a rectangular aluminium frame.

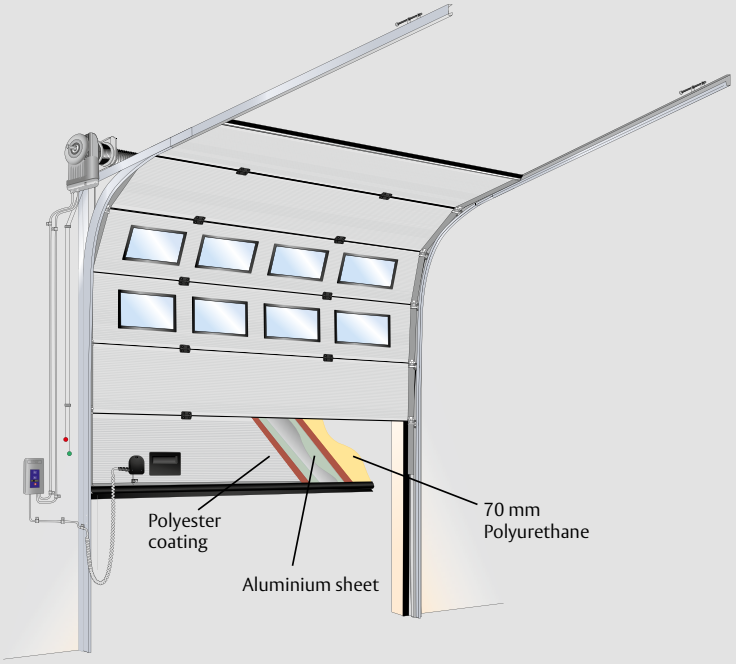

Standard colour
The inside and outside standard colour of the Crawford 370 overhead sectional door is aluminium.
