LETTER OF REPRESENTATION AND UNDERTAKING

WE NIHVA TECHNOLOGIES PRIVATE LIMITED, PUNE, participated in the tender for DSITC of vertical lifting fabric hoist up hangar door for MRO facility at Cochin International Aviation Services Limited (Tender No: CIASL/MRO/4). We wish to submit that under item no:3 of the Schedule of Quantity, we have erroneously mentioned the total quantity of structural steel as 10 Tonnes instead of 30 Tonnes.

We confirm that the figure is actually 30 Metric Tonnes with a value of Rs.60 lakhs at the rate of Rs.2 lakhs per metric tonne. We further submit that we have mentioned the total value as Rs.20 lakhs which includes a discount of Rs.40 lakhs on the total value of this item. However we had not mentioned the discount in the tender and had quoted Rs.20 lakhs for the item in the tender. Hence this clarification.

We further undertake that the value quoted under the item no:3 will be worked out on the actual quantity of steel at the rate of Rs.2 lakhs per tonne and the discount of Rs.40 lakhs will be applicable on the incremental quantity beyond 10 metric tonnes proportionately upto a maximum of 30 MT.

We also undertake that the Security Deposit / Bank Guarantee for value of Rs.20 lakhs under the contract shall be kept valid till the end of the Annual Maintenance Contract period as per the tender.
