Any rectification of any defective material supplied or work done shall be made good without any Price implications to LTHE or if so considered by LTHE/OWNER, shall be replaced by new equipment within the scope of work and/or supply on DDP Site basis.

The Supplier shall guarantee and shall accept full, responsibility for all materials supplied / installed / erected with regard to:
· Selection of material (if not specified by LTHE)
· Material specification and metallurgy as per Specification
· Fabrication and Manufacturing workmanship
· Work specification
· Engagement of highly experienced, reliable and qualified sub-Suppliers/sub-contractors, engineers, workmen etc.

The above shall exclude damages due to normal wear and tear, application for other than the intended purpose, improper handling or inadequate maintenance by LTHE/OWNER.

Performance Guarantee :
The items designed, supplied and installed / erected shall operate to the desired capacity to produce the desired and guaranteed duty conditions.

This guarantee shall cover the guaranteed mechanical performance for each and every related equipment, their efficiencies and their performance as laid down in the specifications including guarantee for power / MP/HP Steam / Fuel Oil/Gas consumption as indicated by the Supplier in their Offer.
The supplier shall select the equipment considering the economy of utilities consumption within the guarantee figures provided and minimum effluent or pollution discharge satisfying the specifications/requirements specified in the MR.

Equipment / items which do not perform to the guarantees shall either be replaced or altered, repaired or replaced in parts or components (including dismantling, transportation, erection, hook-up, commissioning etc.) at no Price implication to LTHE/OWNER and without entitlement of extension of delivery period to the Supplier.

Supplier shall carry out all activities for collecting the required data during guarantee runs to identify problems of non-performance for further analysis and modifications required to meet process performance parameters.

Supplier shall be solely responsible for supply of all instruments required for establishing performance of the subject item at no extra Price to LTHE.

Supplier shall provide a list of laboratory test procedures and frequencies thereof required for validating the performance guarantees.

Performance tests shall be started when the machine/equipment is stabilized under design conditions. The equipment / machine / package shall be operated and controlled in accordance with procedures set up beforehand. The performance shall be measured on the basis of the average of data obtained during 72 hours of performance test runs under continuous operation of the machine.

If on any testing any material or equipment or any individual Unit of the equipment does not meet the design, rated or guaranteed performance relative thereto, the Supplier shall forthwith, within the Supplier's scope of work and at no additional Price to LTHE, undertake such additional tests and/ or operations that are necessary to identify the cause of such failure in conjunction with LTHE.

Vaidik

If as a result of tests and / or operation it is determined that the design/ rated/guaranteed outputs/capacities have not been met because of defect(s) in any material, service or workmanship, the Supplier shall forthwith arrange to repair / replace part or whole of the item supplied with no Price implications to LTHE/OWNER. The Supplier shall, for this purpose, forthwith establish a "Time Schedule" acceptable to LTHE / OWNER for such replacement / rectification bearing in mind the exigencies of the Project requirements. Should the Supplier fail to establish such "Time Schedule", LTHE shall establish the "Time Schedule" and the "Time Schedule" so established shall be binding on the Supplier. Should the Supplier thereafter fail to adhere to the "Time Schedule" so established for the replacement / rectification, LTHE shall (but without obligation to do so), take-over in whole or part such replacement / rectification at the Risk & Cost of the Supplier. In so doing, LTHE shall be entitled for identify and employ the quickest available resources of supply and / or work on its own and/or from third parties. LTHE reserves the right to charge supplier overheads and / or administrative charges for any such supply and / or work.

a) Take-over in whole or part such redesign/replacement / rectification at the Risk & Cost of the Supplier. In so doing, LTHE shall be entitled to identify and employ the quickest available resources of supply and / or work on its own and/or from third parties. LTHE reserves the right to charge supplier overheads and / or administrative charges for any such supply and / or work.

Guarantee / Defect Liability Period:

a) Notwithstanding anything stated to the contrary elsewhere in the documents comprising the RFQ, but subject to b & c) below, the Guarantee / Defect Liability Period (DLP) of the Equipment / Material / Services for design, material, workmanship and performance shall be till 18 Aug 2024.

b) Should any defect and / or under performance in the Equipment / Material supplied be noticed during the guarantee / defect liability period, the Supplier shall, at no Price to LTHE / OWNER make the defect good at site promptly, by way of repair / modification or replacement and re-installment of the Equipment / Material.

c) Any Equipment / Materials repaired / modified or replaced / re¬installed during the above Defect Liability Period shall be subject to defect free guarantee / defect liability period for a further period of twelve (12) months from the date of correction, repair, rectification, replacement and/or re-installation with the intent that the provisions of other clauses under "Guarantee / Defect Liability Period" shall apply thereto in respect of all defects discovered during a period of twelve (12) months from the date of completion of the relative correction, repair, rectification, replacement and/or re-installation as the case may be, in the same manner and to the same extent as apply in respect of the original works.

d) In case of replacement of goods supplier shall not be entitled to return of the defective goods.

e) In case of any claim arising out of this guarantee within guarantee / defect liability period, LTHE shall notify the Supplier in writing and upon receipt of the same, Supplier shall, with all reasonable speed, repair/ replace the defective goods without any Price to LTHE / OWNER. The delivery schedule for the same shall be mutually discussed & agreed upon.

Local rules and regulations:
Supplier shall ensure that the Goods within the scope of supply for this Purchase Order are in compliance with local codes and regulations. Supplier shall ensure that local rules and regulations and procedures have been complied with in obtaining certificates if and when required. Costs related to compliance with aforementioned are included in the Purchase Order price.

The Supplier shall provide at his own cost and initiative all labor, material, equipment, crafts and inputs whatsoever required in and relative to the correction, repair, rectification, replacement, erection, installation and / or re-performance of the relative work(s) and / or systems(s) within the guarantee / defect liability period.

Should the Supplier fail to fulfill his obligations during Guarantee / Defect liability period, all costs / charges / taxes & duties / expenses related to engineering / supply / construction / erection / testing / commissioning etc. for the said equipment / material etc. incurred by LTHE/OWNER on this account shall be back-charged to the Supplier. However, this shall not relieve the Supplier from any of the contractual obligations including guarantees.

In case Supplier's guarantee period as per clause above expires and LTHE requires an extension in the defect liability period, then Supplier shall extend the defect liability period, including extension in validity of PBG and implications thereof if any, will be discussed at that point of time.

Vendor shall supply New, re-manufactured, Buyer approved repaired part or assembly components required to correct the defect(s) observed during Defect Liability Period. Rejected items/defected items

Vaidik

under this warranty shall remain property of Buyer.

If crane is required to lift dock leveler during warranty period, it will be provided by LTHE.

Technical Co-operation - Joint Responsibility

Should the supply be complementary to materials or equipment supplied by third parties, the SUPPLIER undertakes to co-operate with said other SUPPLIERs, in order to co-ordinate with them the planning, manufacture, erection and/or setting in operation of whatever is pertaining to his supply.

Any cost arising from a Supplier's wrong technical information to other Suppliers shall be at Supplier's charge.

The Supplier shall deliver to the BUYER, a copy of all pertinent documentation.

The Supplier and such other Supplier's shall be jointly liable for the good running of groups, plants, equipment, etc., supplied to BUYER. Should any inconvenience occur due to erroneous exchange of technical information, the Supplier's involved shall directly co-operate with each other, in order to eliminate such inconveniences as soon as possible according to their technical responsibilities, at no cost to the BUYER.

Non Waiver

Failure by BUYER to insist upon strict performance of any terms or conditions of the Order, or failure or delay to exercise any rights or remedies provided therein or by law, or failure to properly notify Supplier in the event of breach, or the acceptance of or payment for any goods or services thereunder, or the review or failure to review designs shall not release Supplier from any of the warranties or obligations of the Order and shall not be deemed a waiver of any right of BUYER to insist upon strict performance thereof or any of its rights or remedies as to any prior or subsequent default thereunder nor shall any termination of work under the Order by BUYER operate as a waiver of any of the terms thereof.

Non-Disclosure agreement

The Buyer and the Owner (if any) reserve the sole right to disclose and/or publicize in any manner (i.e., for instance, through press release, speeches, photographs, videos, etc.), directly or indirectly (i.e., for instance, authorizing someone to make such disclosure), any kind of data, document and/or information concerning the Supply (materials and/or services) or any part thereof. The Supplier shall not make any such disclosure and/or publicity without the prior written consent of the Buyer and the Owner. In case, any of the (or) both the Licensors insist for execution of NDA, Supplier shall sign the NDA, as prescribed by the respective Licensor unconditionally.

Code of Conduct

Supplier shall adhere to the LTHE Code of Conduct.

HSE Requirements

The Supplier shall abide by all the health, safety and environmental requirements in compliance with the applicable local statutory rules & regulations and LTHE HSE Policy and shall ensure that all such requirements are communicated to all the personnel involved in executing this Purchase Order

Termination / Cancellation and Suspension

LTHE may, at any time terminate the Order in whole or part by giving written notice thereof and without assigning any reasons. Supplier, shall on receipt of notice of termination discontinue all further

Vaidik

activities connected with the execution of the Order and inform LTHE of details of work carried out as on date, together with financial implication. In the event of such termination, LTHE shall discuss with Supplier to ascertain extent of work carried out by Supplier and to reach an agreement on cost mutually acceptable to LTHE and Supplier.

In case specified delivery schedule is not adhered to or the progress of manufacture of the goods is not satisfactory or not in accordance with the Delivery schedule, LTHE shall inform the Supplier about the delay. The Supplier shall take necessary actions to catch-up with the agreed delivery schedule that result in Supplier meeting the agreed schedule. In the event that the Supplier takes no action or even after the Supplier taking necessary actions, as mentioned above, the anticipated delay is in excess of 4 weeks, LTHE reserves the right to cancel the Purchase Order in whole or in part without liability for damages/ compensation. In such event, LTHE may procure from elsewhere goods, at Supplier's Risk & Cost, which in LTHE's opinion would meet the same purpose as the goods for which Purchase Order is cancelled and Supplier shall be liable for reimbursing LTHE cost of such substitution. LTHE reserves the right to charge supplier overheads and / or administrative charges for any such supply and / or work.

In the event of rejection of non-conforming goods, Supplier shall be allowed, without any extension of delivery time, to rectify the non-conformities. Should, however, the Supplier fail to do so within the stipulated time, LTHE may cancel the Order as to the non-conforming goods and retain the same right with respect to substitution as are set out in preceding paragraph and in addition recover actual expenses incurred by LTHE, in installing and removing the non¬conformity to be rectified at Supplier's Risk and Cost. LTHE reserves the right to charge supplier overheads and / or administrative charges for any such supply and / or work.

If the Order is suspended for whatsoever reasons and for whatever time duration by LTHE, the Delivery and price shall be amended based on mutually agreed terms.

Insolvency and Bankruptcy

The Vendor shall inform the Buyer in case of occurrence of one of the following events or if there is substantial reason for Buyer to believe that any one of the following events may occur:
a) Vendor becomes insolvent,
b) a petition in bankruptcy is filed with respect to or by Vendor,
c) opening of an official receivership procedure with respect to Vendor,
d) Vendor's request for obtaining controlled administration,
e) makes an arrangement or composition with (or assignment in favour of) his creditors,
f) agrees to carry out the Purchase Order under a committee of inspection of his creditors,
g) goes into liquidation,
h) has an execution/restraining order levied on his goods,
i) important changes on the Vendor's organisational structure or ownership which can undermine the successful conclusion of the supply,
j) any authority having jurisdiction takes or institutes any action or proceedings for the dissolution or winding up of Vendor or for the suspension of his operations,

Upon knowledge of any such events from the Vendor or from any other sources, the Buyer, upon notice in writing to Vendor, has the right without prejudice to the procedural consequences, to terminate totally or in part the Purchase Order as per clause no. 11.10.2 and to take all the special and/or particular measures needed to fulfil his obligations towards the Buyer. In case of insolvency no prior notice for cure is required to be issued by the Buyer before issuing such termination notice.

In case of the above events and irrespective to the fact that whether the Purchase Order is terminated by the Buyer or still in subsistence when it has reason to believe that any of such event are likely to occur, the Buyer, at his option, can forthwith enter upon the worksite and take possession of all the material, drawings and designs, work in progress pertaining to the Purchase Order whether issued by the Buyer or otherwise. The Buyer at his option may use and utilise the plant and equipment of the Vendor for completion of the works. At the option of the Buyer, the Vendor shall assign all the purchase orders, service contracts that it had executed pertaining to the Works with its sub- vendors in favour of the Buyer and accordingly inform the sub-vendors.

The Buyer shall not be liable to pay the Vendor any money under the purchase order until the costs of completion are ascertained.

Force Majeure

Vaidik

The term "Force Majeure" shall mean any of the following acts, events, or circumstances which renders a Party unable to perform its obligations which in each instance is not reasonably foreseeable, cannot be sufficiently mitigated by reasonable efforts, and the cause of which and the inability to perform is not caused by any act or omission of the Party asserting Force Majeure:

a) act of Terrorism
b) riot, war, invasion, act of foreign enemies, hostilities (whether war be declared or not), civil war, rebellion, revolution, insurrection of military or usurped power
c) Ionizing radiation or contamination, radio activity from any nuclear fuel or from any nuclear waste from the combustion of nuclear fuel, radioactive toxic explosive or other hazardous properties of any explosive assembly or nuclear component.
d) epidemics, earthquakes, flood, fire, hurricanes, typhoons or other physical natural disaster, but excluding weather conditions regardless of severity
e) freight embargoes, strikes at national or state-wide level or industrial disputes at a national or state-wide level in any country where Works are performed, and which affect an essential portion of the Works but excluding any industrial dispute which is specific to the performance of the Works or the Contract.

Force Majeure shall not include inclement or unforeseen weather, third party breach, delay in supply of material(s), any industrial dispute which is specific to the performance of the work or commercial hardship shall not constitute a Force Majeure event.

If either Party is rendered unable, wholly or in part, by Force Majeure to perform its obligations under this Purchase Order, it is agreed that performance of such obligations by such Party, so far as they are affected by Force Majeure, shall be excused from the inception of any such inability until it is corrected or relieved, but for no longer period. If either Party desires to invoke Force Majeure, it shall notify the other Party in writing of the act, event, or circumstance that constitutes the event of Force Majeure, the date on which such event of Force Majeure commenced, with proper substantiation (duly certified by the local Chamber of Commerce or statutory authorities, relevant to the Supplier). Such notice shall be delivered not later than three (3) days after the date on which such Party first had knowledge of the effect of such event of Force Majeure. Either party shall forthwith inform the effect of the event of Force Majeure on the affected Party's ability to perform its obligations under this Purchase Order. The Party claiming inability to perform must make all reasonable efforts to minimize the delay caused to the Works as a result of the occurrence of an event of Force Majeure and mitigate any other effects of Force Majeure.

Affected parties shall diligently mitigate or remove the effect of Force Majeure. Each party shall upon receipt of the Notice of Force Majeure under the preceding Article shall confer promptly with the affected party and agree upon, within fifteen days, a course of action to be adopted by the affected party to remove or alleviate such effect(s), and shall seek reasonable methods of resuming full performance of affected party's obligations and achieving the objectives under the Order.

In the event of any force majeure cause, either party shall not be liable for delays in performing their obligations under this Order and the delivery dates will be extended without being subject to Price Discount for delayed deliveries, as stated elsewhere.

For delays arising out of Force Majeure, Vendor shall not claim extension in completion date for a period exceeding the period of delay attributable to the causes of Force Majeure and neither Buyer nor Vendor shall be liable to pay extra costs or claim any damages or compensation in addition to or in lieu of extension in completion date. To clarify, during the Force Majeure no party shall be liable to each other for the payment of any hire charges for equipment or manpower, storage charges of material, stand-by charges of equipment etc.

The Vendor shall not be entitled for extension in completion / Delivery Date if the effect of Force Majeure does not exceed 7 days.

Immediately after the end of the event of Force Majeure, the affected Party having invoked such Force Majeure shall notify the other Party in writing that the event of Force Majeure has ended and such Party shall resume performance of its obligations under the Purchase Order.

Vaidik

In case of an overlapping delay that is when more than one event causes a delay and the cause of at least one of those events is attributable to Vendor, then to the extent and period that such delays are concurrent, the Vendor shall not be entitled to seek resort under the Force Majeure clause and seek an extension of time for the period of such delay which is attributable to the Vendor.

The following are specifically excluded as Force Majeure and shall not constitute a basis for claims for schedule extensions, under this Purchase Order:
· Events or circumstances involving a previous or existing condition on or before the effective date of the Purchase Order; or
· Late performance by a Vendor and / or his sub-vendor caused by a shortage of supervisors or labour, inefficiencies, or similar occurrences; or
· Late delivery of equipment or materials by any sub-vendor caused by congestion at a manufacturer's plant or elsewhere, an oversold condition of the market, inefficiencies, or similar occurrences; or
· Any inability to obtain visas or renewal of visas for expatriate workers; or
· Changes in market conditions
· Social distancing norms

Should the Works be delayed for more than thirty (30) consecutive days or sixty (60) days in aggregate as a result of Force Majeure, Buyer at its option may either suspend the Work affected or terminate this Purchase Order or the portion of the Work involved. The provisions governing Cancellation shall apply. However, LTHE shall not be liable to pay any Cancellation charges over and above the charges as admissible under Clause of Cancellation.

Failure by Vendor to comply with the notice requirements mentioned hereinabove shall be deemed to conclusively waive Vendor's rights to invoke Force Majeure in respect of the relevant acts, events or circumstances and to any consequent entitlements to extension of time for completion of the Work or any separable portion thereof.

Notwithstanding anything mentioned hereinabove, the Buyer shall have right to invoke Force Majeure if the Buyer is unable to utilize/use the services supplied by Vendor under the Purchase Order due to events mentioned above.

Notwithstanding above Vendor/Supplier/Subcontractor shall not be entitled to any escalation in subcontract price and/or extension of time in performance of its obligations under the Purchase Order/Subcontract even in case of disruption or delay in performance of the work caused due to any quarantine restrictions, social distancing policy, or on account of curtailment of travel in any home or host country by the government.

Infringement of Patents etc.

Suppliers shall warrant that the sale or use of goods supplied under the Contract, whether designed and manufactured so as to comply with LTHE's specifications or otherwise, shall be free of any claim, whether rightful or otherwise of any third person, by way of infringement of any patent, copyright, trademark or industrial design or the like, and shall hold LTHE harmless and indemnify LTHE at Supplier's own cost, from any and all such claims and legal proceeding. LTHE makes no warranty that the production, sale or use of goods designed and manufactured so as to comply with LTHE's specification will not give rise to the claim, whether rightful or otherwise, of any third person by way of infringement of any patent, copy-right trademark or industrial design or the like and in no event shall LTHE be liable to Supplier for indemnification in the event of any action being brought against Supplier in connection with any such claim.

This Clause shall survive termination of the Order.

Dispute Resolution

Any dispute or difference between the Parties arising out of or in connection with this Order which cannot be resolved amicably between the Parties at the level at which it arose within fifteen days thereof shall, in the first instance, be referred to the nominees of Directors of the respective Party for resolution. If the dispute cannot be settled within a further period of thirty days such dispute shall be resolved by arbitration in accordance with The Arbitration and Conciliation Act, India 1996 and any enactments thereon, by one arbitrator to be appointed by agreement between the Parties, failing which the appointment shall be made under the said Act.

Vaidik

The arbitration proceedings shall be conducted in English language. The arbitration venue shall be in Mumbai, India. The Parties agree that the dispute resolution process provided herein shall be the sole remedy and the Parties shall not suspend their obligations under the Order.

This Order shall be subject to the laws of India.

This Clause to arbitrate shall survive termination of this Order.

Notwithstanding the existence of any dispute or arbitration in terms hereof or otherwise, unless otherwise directed in writing by LTHE, the Supplier shall continue and be bound to continue and perform the works to completion in all respects according to the Order (unless the Order or works be determined by LTHE or by the Supplier under the provisions of the Order), and the Supplier shall remain liable and bound in all respects under the Order.

Local rules and regulations:
Supplier shall ensure that the Goods within the scope of supply for this Purchase Order are in compliance with local codes and regulations. Supplier shall ensure that local rules and regulations and procedures have been complied with in obtaining certificates if and when required. Costs related to compliance with aforementioned are included in the Purchase Order price.

Harmonized Tariff Codes

Supplier shall provide Buyer with the applicable Harmonized Tariff (HSN) Codes per line item for this Purchase Order / Packing List. Failure to do so may result in back charges to the Supplier to the extent of commercial implications to LTHE.

Assignment and Sub-Contracting

Supplier shall not, except with the previous written consent of LTHE, transfer or assign their obligations and interest in supply of materials, or sub-contract whole or part of the work under the Purchase Order in any manner whatsoever.

Grant of any such consent or approval shall not however absolve the Supplier in any manner from all or any of their obligations, duties and responsibilities, including delivery of materials under this Order within the stipulated Delivery schedule.

Moreover, delay, if any, by LTHE in approving any Sub-Contractor(s) proposed by the Supplier, or, rejection if any, by the LTHE of any Sub-Contractor(s) proposed by the Supplier, shall not entitle the Supplier for any claims for additional compensation or any claim for an extension in the Contractual Date of delivery. Supplier shall ensure that competent and resourceful agencies with proven track record should be proposed for the work to be sub-contracted.

Modifications and Amendments:

LTHE shall have the right to modify or amend this Purchase Order, by way of a written communication to the Supplier, subject to an adjustment in the price and/or delivery date. Adjustments in price and/or delivery date shall be mutually agreed between LTHE and the Supplier.
In case price and/or delivery date adjustment cannot be settled immediately, upon written instruction from Purchaser, Supplier will proceed with the modification and price and/or delivery date adjustment shall be settled by mutual agreement before order close-out. Any delay in executing the modification after receipt of written instructions shall be to supplier's account.

Supplier shall forthwith inform regarding any claim for "Change-Order" prior to commencing with the same.

If there is any alteration or change in the scope of work or extra item and the Supplier or LTHE considers that the change requires revision in the contract price and / or delivery, Supplier shall issue / submit the change order proposal (COP) within 7 days of such instructions issued to supplier.

Vaidik

"Change-Orders" informed later or at the time of delivery shall not be entertained.

The Supplier shall carry out such amendments to the Purchase Order and shall be bound by the same terms and conditions incorporated in the original Purchase Order.

Nothing shall constitute a change order to the extent that additional work / efforts / resource deployment etc. are carried out / required only:
a) to ensure that the Work is carried out and completed as per the delivery schedule
b) As a consequence of Supplier's failure to comply with any of its obligations under the Purchase Order.

Any extension of time, if granted by LTHE, shall be the sole remedy of the Vendor for any cause or event of delay and the Vendor shall not be entitled in addition to or in lieu of such extension, to claim any damages or compensation whether under the law governing contracts or quasi-contracts or any other relationship, and the Vendor hereby waives and disclaims any and all contrary rights.

Right of the Buyer to set-off

LTHE shall be entitled to recover from the Supplier any sum(s) due to LTHE on account of any damage(s) or otherwise, whether in respect of supplies under this Purchase Order or under any of their previous Purchase Orders / Contracts, by deducting such sums from the amount due by them to the Supplier in respect of supplies made under this Purchase Order or any of their prior or subsequent Purchase Orders / Contracts.

Confidentiality

All drawings, specifications and details furnished by LTHE to the Supplier shall be kept confidential. The technical information imparted and supplied to the Supplier by LTHE shall at all times remain the absolute property of LTHE. Supplier shall preserve and cause its employees to preserve the secrecy of any confidential information.

Supplier shall read and un-conditionally accept the terms and conditions of "Licensor NDA" for all items (Columns/Vessels/Pumps/Heat Exchangers/Filters) for HWOG Treatment Unit, SAT. LPG Treating Unit & SAT. Fuel Gas Treating Unity by
· Signing an Letter of undertaking (Annexure E)on your letterhead
· Countersign (with stamp) on the executed NDA between LTHE and EIL (Annexure E).

Supplier shall not use or cause to be used any confidential information for any purpose other than the performance of the Work, and as such Supplier shall not a) reproduce, copy or use any confidential information, or b) disclose to, place at the disposal of, or use on behalf of any third party, or enable any third party to peruse, copy or use any confidential information unless with prior written consent of LTHE.

This Clause shall survive termination of the Order.

Electrical Contractor's Licence
The Supplier or its nominated Sub-Contractor(s), as the case may be, shall have a valid electrical contractor's license for working in the State in which the job site is located. The Supplier shall furnish a copy of the same to LTHE and take prior permission from LTHE before commencement of any electrical Work or Work pertaining to Electrical Systems.

No electrical Work or Work pertaining to electrical system(s) shall be permitted to be executed without a valid Electrical Contractor's License being produced by the Supplier or sub-Contractor, as the case may be, intending to execute the Work.

STEP-IN RIGHTS

If, in the opinion of Buyer, the Vendor's financial affairs become unsound or he suspends payment of his commercial debts or if there are reasons for Buyer to believe that Vendor may become insolvent or it has committed the breach of the terms of Purchase Order or there is any delay in performance of the Purchase order, then Buyer may without prejudice to any other rights it may have under the Purchase Order, have the right to enter upon the worksite and without thereby terminating the Purchase Order , or releasing the Vendor of his obligations or liability under the Purchase Order take over the balance Works and complete the same by using Vendor resources including but not limited to yard, equipment, personnel, workmen and/or other sub-vendor, as Buyer in its absolute discretion may think proper and at the sole risk and cost of Vendor.

If Buyer in exercising any of the rights conferred by this clause incurs any expenditure in excess of the Purchase Order Value, then such excess amount shall be paid by the Vendor/ Sub-vendor to Buyer, and such amount shall be considered as debt due to the Buyer.

Notwithstanding any provision to the contrary the Buyer while exercising its rights under this clause shall not be liable to pay to the Vendor any money until the cost of completion of the works and all other expenses incurred by Buyer have been ascertained.

Vaidik

The Vendor guarantees that such Buyer's right of taking over of the works will be accepted by its sub-vendor and will be included in the respective sub-purchase orders
In case the Buyer decides to make use of its aforesaid right and if so requested by him, the Vendor shall facilitate and assist Buyer. Notwithstanding Buyer's use of such rights, it shall also have a right to pay any sub-vendor directly to prevent from suspending or terminating performances. The amount so paid will subsequently be set-off from the Purchase Order Value.

FREE ISSUE MATERIAL

The Buyer can supply, free of charge certain material (hereinafter referred as the Free-Issued Material) (if any) in accordance with the details stated Purchase Order. The Buyer can provide such Free Issued Material either at the Vendor's Site / Yard / Warehouse or any other location stated in the Purchase Order. Vendor shall be liable for all demurrage or other charges in connection with any delay in unloading, hauling, lifting or handling of Free-Issued Material.

As soon as Free-Issued Material is received in Vendor's Site/Yard/Warehouse, it shall mark them with an identification number and Buyer's name, and shall keep them separate from other items. Upon receipt of such Free-Issued Material, the Vendor shall thoroughly inspect them, and shall promptly give notice within three (3) days from the receipt of the Free Issued Material to the Buyer of any shortfall, theft, pilferage, defect, or damage in these Free-Issued Material failing which the Vendor shall be deemed to have accepted and confirmed that the Free Issued Material are free from any shortfall, defects, or damage.

Once the Free-Issued Material is delivered by the Buyer, the Vendor shall be responsible for the care, custody, control, storage, handling, protection, preservation, re-packing and use of the Free Issued Material.

Vendor must, at all times, segregate the Free Issued Materials from the other material, Construction Equipment, and any other Vendor's property. Vendor must use the Free Issued Materials solely and exclusively for incorporation in and the performance of Works.

The Free Issued Materials shall be always considered to be the property of Buyer and the Vendor shall ensure that it is free from any lien / charge / encumbrances. Vendor shall acknowledge receipt of all materials and/or equipment furnished to Vendor by Buyer for its packaging or assembly into a "complete package". It is specifically understood and agreed that title to all said items furnished by Buyer shall remain with Buyer at all times regardless of whether said items are incorporated into material or equipment being constructed hereunder and whether said items remain separable or not. Said items can at any time be reclaimed and repossessed by Buyer.

The Vendor shall be responsible for any theft, loss or damage to any such Free-Issued Material and any deterioration to any such Free-Issued Materials as a result of the Vendor's care, custody, control, handling and storage and shall indemnify and hold harmless the Buyer from any and all claim in this respect. The Vendor shall execute and sign Indemnity Bond in the format annexed herewith. The Vendor shall not remove Free-Issued Material from the Site/Yard/Warehouse without first obtaining a written release authorizing such removal from Buyer.

If during the term of Purchase Order there is evidence of a lien or a charge created by the Vendor on the Free-Issued Material, the Buyer may retain an amount from Vendor sufficient to indemnify Buyer against such lien or claim. Buyer may keep said amounts until the Vendor pays and discharges the lien or charge. The Buyer at his discretion may pay and discharge the same and deduct the amount paid from amounts due to Vendor under Purchase Order.

Upon the completion of the Works relating to the Free Issued Materials, the Vendor must notify the Buyer of any unused or surplus Free Issued Materials and the Vendor must immediately return the surplus Free Issued Materials as instructed by the Buyer in the same condition as received by the Vendor from the Buyer, except for normal wear and tear.
