Subject: Request for quotation for Hangar door.

Dear Sir,

We P.Natesan & Co Engineers and contractors in Military engineering services are planning on undertaking an Aircraft hangar project in air force Sulur Coimbatore. There is a provision for **two Electro mechanically motorized cum manually operated Steel sliding shutter of size 60m width and 9m height**. I have shared the necessary details regarding it. Please provide us with a competitive quote. If there are any doubts regarding the same please contact us.

Thank you

For M/s P.Natesan & Co
