h	265 mm (if ≤ 250 kg) 300 mm (if > 250 kg or passdoor)
SL/SR**	140 mm
D	DLH + 1100 mm

① Total space available
= 3225 x 2700 mm

* If the door weight exceeds 250 kg and/or if passdoor is installed: h=300 mm.

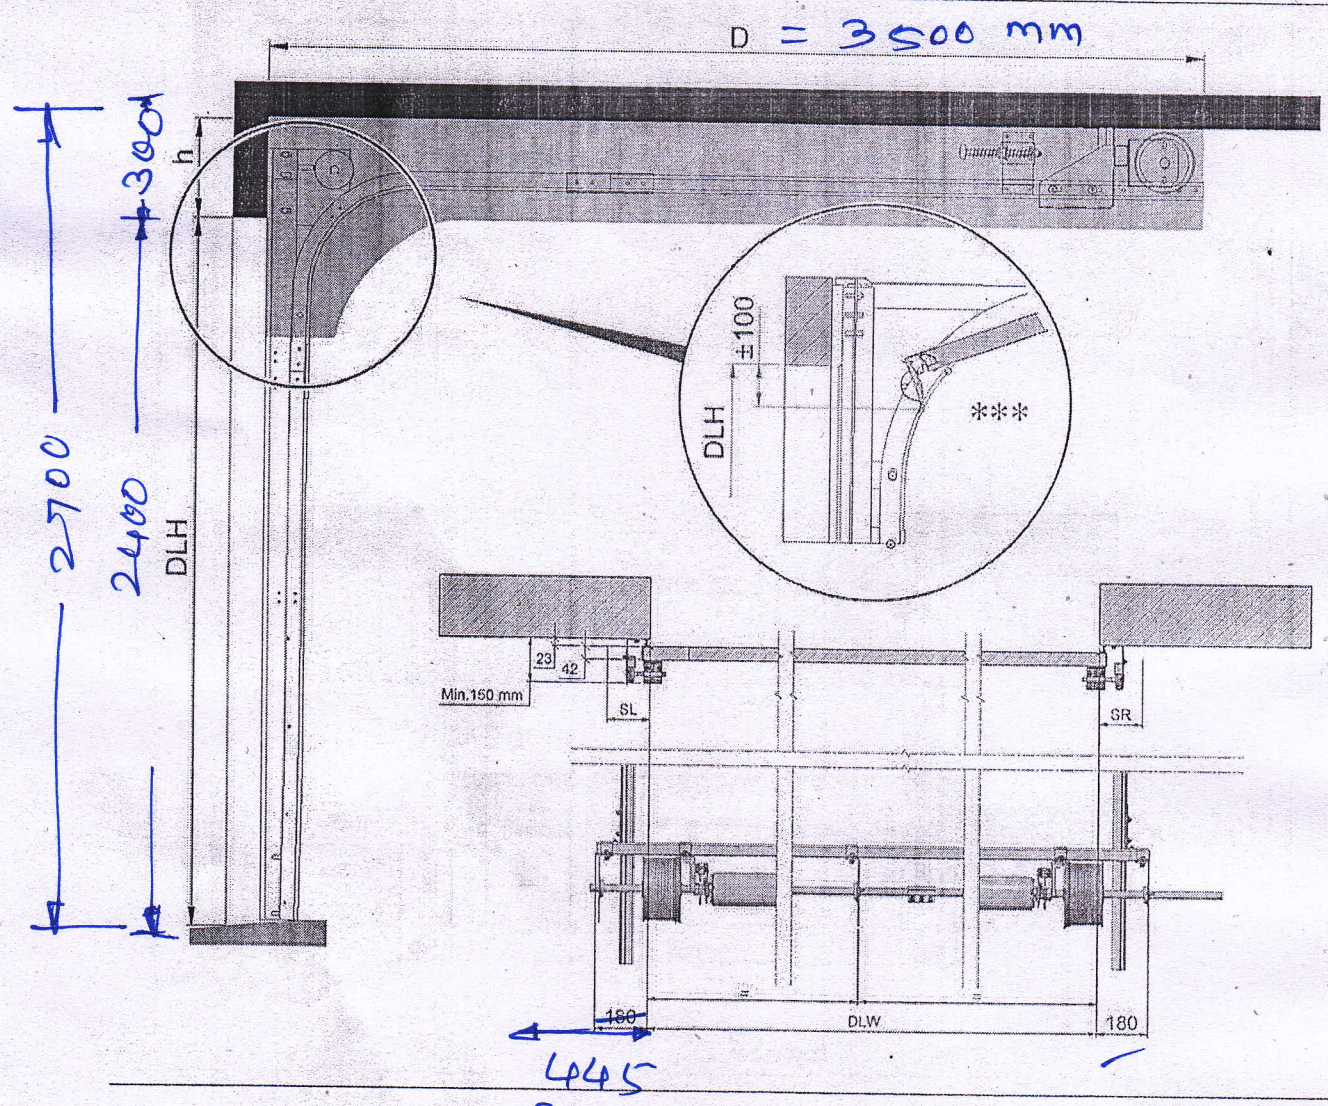

** In case of an electrically operated door, SL and SR = 320 mm (because of safety pulls).

** SL/SR at the beam 180 mm in case of an outer support bearing.

② Clear opening = 2600 x 2400

*** Low threshold passdoor only
