Kind Attention: Mr Vijay Tarak

We take this opportunity to appreciate the efforts done by Nihva Team in implementing the Albany Auto door project for a Robotic cell at Tenneco Automotive India Pvt Limited, Pune. The cell upgradation was crucial for Tenneco to meet increased customer demand. Nihva team has planned the activities with Tenneco team in advance and completed the installation & commissioning work as planned. The co-ordination and understating of site requirements by your team played major role in quick & efficient installation. This has helped us to quickly re-start the Robotic welding in Auto mode

We sincerely acknowledge the "Team work & Partnership approach" shown by Mr Vijay & Nihva team in delivering "Right First Time" implementation of Albany doors at Tenneco. It was pleasure working with you.

Please convey our regards to the Albany Door Systems & Nihva Team involved in this project. We wish best luck and hope to have such consistency in work for the future projects as well.

Thanks & Regards

Digambar Parkhi
