In order to comply with the Indian Tax Regulations GE will only accept readable invoices containing the following details:

- Date of issue
- Invoice number
- Quantity and nature of the goods supplied or the extent and nature of the services rendered
- Place where the services were rendered or to which the deliveries had been made.
- The date on which the supply of goods was made/completed or the period for which the services were rendered including date and reference of agreement
- The remuneration for the goods supplied or services rendered (amount without Taxes & Duties)
- The Taxes & Duties rate applied or mention of Taxes, Duties exemption *…
- The Taxes & Duties amount payable if applicable

*Where an exemption is applied or where the customer is liable to pay the tax, reference to the appropriate provision of this directive, to the corresponding national provision, or to any indication that the supply/service is exempt or subject to the reverse charge procedure.
Invoices which do not meet the above conditions shall have to be returned.

14. Entire Agreement
The Contract contains the entire understanding of the parties with respect to the subject matter hereof. There are no other oral or written understandings, terms or conditions and neither party has relied upon any representation, express or implied, not contained in the Contract.
Each party has reviewed every provision contained herein and has had an adequate opportunity to negotiate each of the provisions of the Contract and to have any ambiguities, or concerns discussed and where appropriate addressed. Therefore, it is agreed that neither party shall assert in any dispute that the Contract has been drawn up exclusively or primarily by only the other party, and that therefore it should be interpreted against that other party.

15. Disclaimer
GE is not bound by any provisions, printed or otherwise, at variance or in addition to the terms of this Purchase Order that may appear on any vendor acknowledgement form or other document unless specifically accepted in writing by the duly authorized representative of GE.

16. Confirmation of Purchase Order
As an acceptance of this Purchase Order, the Seller shall return the order confirmation duly signed to Buyer within 3 (Three) working days from the date of Buyer#s representatives signingthis PO. If Buyer does not receive Seller#s orderconfirmation within that time, the Purchase Order shall be deemed accepted by the Seller tacitly.
Commencement of design, manufacture, and delivery, supply of the Product or services or start of invoicing constitutes Seller#s acceptance of the Purchase Order.

17. Effective Date of PO
This Purchase Order shall become effective on the date Seller has accepted (or is deemed to have accepted) the order as per article 16 (Confirmation of Purchase Order) above. Commencement of design, manufacture and delivery, supply of Product or Services or start of invoicing constitutes Seller#s acceptanceof the Purchase Order.
