Proposal

To,
Ms Nihva Technologies Pvt. Ltd.
Pune

Dear Sir

Thank you for your enquiry for the Automated pergola .

We are pleased to offer you the Automated roofing system from the world's leading manufacturing company " Suntech " from Turkey .

The below quote is based on the given drawings for the area to be covered as follows .

- 6000 x 6000 mm , 2 systems
- (width) x (Projection) Client –

  Jodhpur

We propose the model EVA **WITH LED lights** .

- Our roofing systems are suitable for any weather conditions , designed and built using highest quality materials. Our pergolas are manufactured using high grade aluminium profiles and stainless steel components in Anthracite colour .
- These systems are covered under a warranty of 5 years & can withstand wind speeds of 117 Km/hr .
- Each and every system is customised as per the size and the needs of the project utilising European technology through a custom direct drive motor system to ensure smooth and

quick operation at 26 RPM .

- The optional high powered LED – TEC lighting system provides a practical touch of class & when coupled with a remote dimming controller allows the user to change the mood to suit the surrounding environment .
- Suntech systems are available in widths up to 13 meters & maximum projection of 11 meters in one fabric – providing a solution to cover areas up to 143 Sq. mts. at the touch of a button.
- The fire rated 100% water proof fabric from Mehler (Germany) is available in NTRB 33 Black providing maximum stability & resistance to temperature, moisture & dirt . It does not shrink or bag, and the acrylic top coating makes it very easy to clean .

We have now been erecting and commissioning Suntech systems for the last two year and have done several projects in India . To name a few : -

- Coconut Creek Resorts – Goa
- Hotel Marina – Shimla
- Goel Ganga Developers – Pune
- Private house – Shantinekatan – New Delhi
- Private house – Aralias – Gurgoan
