TILARA®

YOUR PARTNER FOR GROWTH, GAIN & GOODWILL

PRODUCT WARRANTY

TILARA UV Co-extruded Polycarbonate Sheets are warranted against manufacturing defects as under:

1) DISINTEGRATION: The sheets are warranted against disintegration for a period of 10 Years from the date of supply – This means that the sheet will not crumble spontaneously. Cracking along the line of fixing/any other installation related cracking that can be proved by Tilara Polyplast Pvt. Ltd. is not covered under this warranty, as Tilara Polyplast Pvt. Ltd. has no control over the method of fixing used by the installer.

2) YELLOWING & COLOR FADING: The sheets are warranted against yellowing / color fading for a period of 10 years from the date of supply beyond the applicable limit of 4 deltas. For a period of 10 years, the light transmitting properties of TILARA sheets will not decrease by more than 10% from their initial value when measured in accordance with the test method specified in ASTMD 1003-1998.

EXCLUSIONS

a) Damages caused due to improper handling / installation / fixing.
b) Any failure caused by carrying our operations not in accordance with the Standard Installation and Handling Practices.
