RULES & REGULATIONS AT THE EXHIBITION HALL – FOR ALL PARTICIPANTS / EXHIBITORS

INSURANCE, LIABILITY AND RISKS

- Exhibitors are strongly advised to insure their exhibits and other valuable items placed at the Exhibition Venue.
- The Venue Management, Organizers and Sponsors will not be liable to any Damage / injury / fire / floor / claims / loss / theft of exhibits & personal properties, Public Liability (third party) insurance and accidents liability, it's the responsibility of exhibitors' to cover all with their own insurance.
- All Exhibitors shall insure, indemnify and hold the Organizers, Sponsors and the Venue owner harmless in respect of all costs claimed by the Exhibitor against any persons or items at the Exhibition Venue during the move-in, exhibition, and move-out periods.
- Booths and other facilities rented from the Official Contractor by the Exhibitors should be returned in good condition. Exhibitors will be held responsible for any damages incurred during the period of use.

DEMONSTRATION AND OPERATION OF EXHIBITS

i. Exhibitors are required to ensure that the exhibits are operated under strictly controlled and safe conditions.

ii. Exhibitors are required to ensure that the exhibits are equipped with safety devices.

iii. Adequately safeguard all moving parts of your machinery against injury to visitors. Exhibitors are advised to ensure that moving exhibits are kept out of the reach of visitors.

iv. Exhibitors are liable for the removal and disposal of waste materials generated by working demonstration of exhibits.

v. Exhibitors will not cause any annoyance to visitors or other exhibitors. Acceptable norm of noise level will be at the Organizers' discretion. In case of complaints raised which the Organizers find justifiable, the Organizers reserve the right to impose limitation of the operation of noisy machinery / exhibits.

BOOTH OPERATION

i. All booths must be fully staffed and operational throughout the opening hours of the Exhibition

ii. All the Exhibitors' staff must wear Exhibitors' badges (issued by the Organizers) for identification. The Exhibitors are advised to be present (at least one staff) at their booth at least 15 minutes before opening time and leave the Exhibition Hall/ Hanger not later than 30 minutes after closing time. Exhibitors can apply to the Exhibition Authority for an extension of these hours if the needs arise.

iii. All activities of the Exhibitors and/or their staff must be confined to their booth area. No advertising or business activity may take place elsewhere in the Exhibition Halls.

MOVEMENT AND HANDLING OF EXHIBIT MATERIALS

The movement and handling of heavy exhibits and materials must be done through the freight and cargo entrance of the Exhibition Halls. Only items, which are easily hand carried, will be allowed access through the front entrances.

SAFETY PRECAUTIONS

Be aware of cautious about your personal safety and use common sense. It is not safe to wander around alone at night, especially in the darker streets. Please aware of your personal belongings when you are out in public and in crowded areas.

PROMOTIONAL MATERIALS

Any promotional materials, such as films, video-cassettes, slides and printed materials, to be shown to the public during the exhibition must strictly be confined to Exhibitors booth only and should not contain any objectionable material or cause annoyance to other Exhibitors or visitors.

SECURITY & THEFT PRECAUTIONS

Exhibitors are reminded to keep a close eye on their exhibits & personnel property, valuable working models and other sophisticated items at their booth in the exhibition hall and beware of pickpockets, for those small display items, please do not put them on the table, it should be securely, locked Reliable security guard will be on duty day and night, but will not guarantee against any loss.

DO'S AND DON'TS DURING THE SHOW

- During the set-up and dismantling stage of the booked period, the Exhibitors are not allowed to make connection to the power network in floor ports and in walls themselves.
- During the setup, use of cutting/ drilling machines, welding, wood/ plaster polishing and any other dust inducing works are not allowed inside the hall.
- Fire hydrants / fire exit should remain uncovered and accessible during the show.
- No exhibitor is allowed to install halogen or extra lights or power sockets without permission of the organizer as it may result into short circuit.
- The exhibitor shall not attach any elements of stand decorations, advertisements, flags, etc. to the pavilion construction (ceiling, walls, railings, columns, etc.) without permission of the organizer.
- Smoking shall not be permitted inside the exhibition ground area.
- Alcohol consumption is not allowed on Exhibition ground.
- Exhibitors cannot dispose off waste materials hazardous to health and the environment (including oils, emulsions, acids, fats, varnishes, etc.) together with other waste or via the drains.
- Use of tobacco products and spitting inside exhibition area is strictly prohibited.
- Identification card, should be readily available to be shown as and when required.

Note : The organizers reserve the right to change, alter or cancel the information and services offered in case of unforeseen circumstances. In that case decision of PCERF organizing committee will be final and will be binding on all and it will be superseding previous clauses of agreement between Exhibitors and Organizers
