Thank you

Thank you for choosing to include ASSA ABLOY Entrance Systems products in your advertising, websites, product brochures etc. We appreciate your partnership and strive to provide you with not only the finest products in the industry but also the best door opening solutions.

This document serves to clarify how to present ASSA ABLOY Entrance Systems solutions and logotype in compliance with our guidelines.

ASSA ABLOY Entrance Systems' brand strategy is key in order to strengthen our brand and corporate identity world-wide.

As a distributor, we rely on you to represent us in a proper way, in accordance both with our brand guidelines and our ASSA ABLOY Code of Conduct.

We appreciate your efforts to help build not only our brand but strengthen our position in the market.

One Brand

- ASSA ABLOY Entrance Systems has taken the key strategic decision to go for full ASSA ABLOY single branding in the entire direct channel.
- This means that our current product brands Besam, Crawford, Albany and Megadoor will be rebranded to ASSA ABLOY starting **December 1st 2017 onwards.**

Introduction

Background

These guidelines have been developed to support you in promoting the ASSA ABLOY Entrance Systems products, while complying with the ASSA ABLOY Entrance Systems' guidelines and copyright.

The guidelines are consistent with the ASSA ABLOY Code of Conduct and our business values, which you are obliged to follow.

Carefully read the following chapters about the different branding and copyright aspects that imply on you and your company when it comes to how you present and market our products.

ASSA ABLOY and ASSA ABLOY Entrance Systems

- Corporate brand

ASSA ABLOY

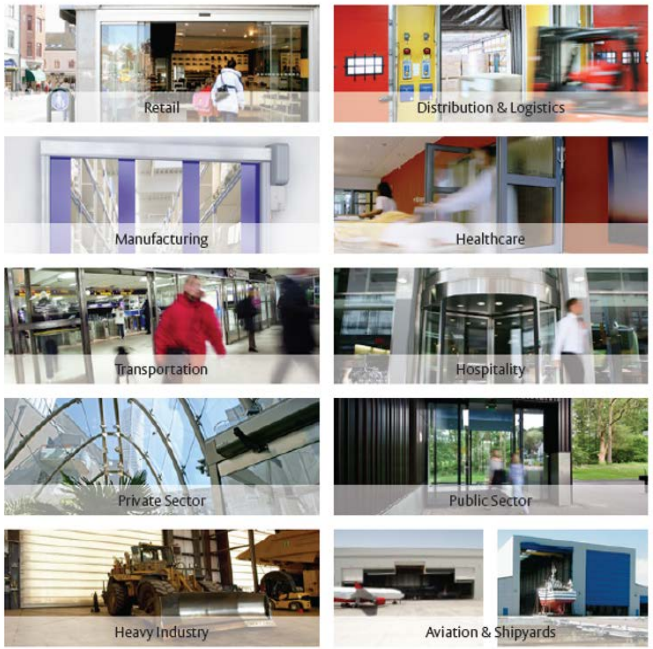

- Solution provider

ASSA ABLOY Entrance Systems

- Automatic doors
- Industrial doors
- High-performance doors
- Hangar doors
- Loading dock equipment
- Maintenance & Modernization

- Product brand

ASSA ABLOY

ASSA ABLOY - our corporate and product brand

- ASSA ABLOY is our corporate **and** product brand. ASSA ABLOY is our brand to be applied on all products onwards.
- All products are single branded and names follow a common standard, starting each name with ASSA ABLOY and marked with the ASSA ABLOY logotype only.

Please note: Ensure that old/not approved logotypes are removed

Sales promotion support

We encourage our distributors to use ASSA ABLOY Entrance Systems developed material when promoting our products.

We can support you with:

- Product documentation
- Sales and marketing material
- Images

Internal brief – Distributor guidelines

Internal brief – Distributor guidelines

Our distribution business model is similar to the car dealership model	A distributor represents a product and product brand, not the company ASSA ABLOY Entrance Systems	ASSA ABLOY and ASSA ABLOY Entrance Systems is OUR corporate brand and operational name	A distributor may not strive to be percieved as ASSA ABLOY or ASSA ABLOY Entrance Systems
↓	↓	↓	↓
They are independent dealers selling different products and brands from several suppliers	We need to ensure that our brand name and company values are used according to our standards	The ASSA ABLOY logotype is our corporate logotype	We want to build our product brand name and recognition in these countries using the distributor channel
↓	↓	↓	↓
A distributor business is their own company name, brand and product range	A distributor must respect and follow our code of conduct	ASSA ABLOY Entrance Systems is the distributor's supplier	RESULT = Distributor Branding & Marketing Guidelines

Guidelines

ASSA ABLOY Entrance Systems Distributors

Our brand and **your** corporate identity

- Our company, corporate brand and all types of commercial material (such as pictures, adverts, banners, websites, brochures, leaflets etc.) are **property of ASSA ABLOY Entrance Systems.**
- Copyright also apply to **our texts, layouts and design elements**. Modifications or reproduction are not allowed. This applies to for example service car design, layout, websites, and exhibitions etc.
- Using our ASSA ABLOY brand or ASSA ABLOY Entrance Systems company name in ways where the customer can perceive that ASSA ABLOY Entrance Systems is the communicator of the message (text, pictures, layout, design, brochures etc.) is a breach of the ASSA ABLOY Entrance Systems intellectual property.

Please note: You are **under no circumstances** allowed to make your own modifications or copy our design, layout and/or content from official ASSA ABLOY Entrance Systems material into your own sales promotion, digitally or printed.

Intellectual Property (IP) rights

- **Your company name**
  May **not** contain or indicate similarities with ASSA ABLOY Entrance Systems company name or ASSA ABLOY brand.
  *Example of **not** allowed company name: ASSAABLOY Entrance Doors AB*
- **Your domain name / website / social media channel**
  May **not** contain or indicate similarities with ASSA ABLOY Entrance Systems company name or ASSA ABLOY brand.
  *Example of **not** allowed company name: assaabloyentrancedoors.nn*
- **Your e-mail addresses**
  May **not** contain or indicate similarities with ASSA ABLOY Entrance Systems company name or ASSA ABLOY brand.
  *Example of **not** allowed e-mail address: assaabloy@yourdomain.com*

Please note:
If you have questions, please contact your ASSA ABLOY Entrance Systems marketing representative.

Basic vocabulary – corporate

ASSA ABLOY - our corporate brand

- All ASSA ABLOY Entrance Systems-related material is branded with the ASSA ABLOY logotype
- In text, the “ASSA ABLOY” part must always be capitalized

ASSA ABLOY Entrance Systems - our company name

- ASSA ABLOY Entrance Systems is your supplier
- In text, the “ASSA ABLOY” part must always be capitalized
- ASSA ABLOY Entrance Systems should be written in full, it may never be shortened as “AAES” or in any other way

Product naming

Proper product naming

- Always refer to our products correctly, with their official product names
- ASSA ABLOY Entrance Systems name products according to the following:

ASSA ABLOY+ Product category + Number + Configuration

Examples:

– ASSA ABLOY RD3L (revolving door)

– ASSA ABLOY OH1042 (overhead sectional door)

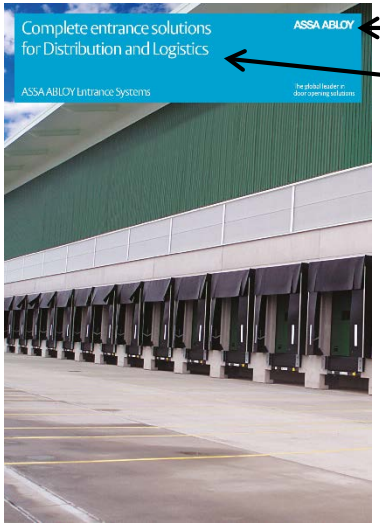

– ASSA ABLOY RR3000 (high performance door)

Examples – product documentation

Proper use of product logotype

You buy a product from ASSA ABLOY Entrance Systems and that product will have an ASSA ABLOY product brand logotype on the physical product

Examples– product branding

Use of product logotype

You buy a product from ASSA ABLOY Entrance Systems and that product will have an ASSA ABLOY product brand logotype on the physical product.

Please note: Contact your ASSA ABLOY Entrance Systems marketing representative for new product images with accurate product brand logo

Product brand logotype on the physical product

Your company and our product offer

Media & PR guidelines

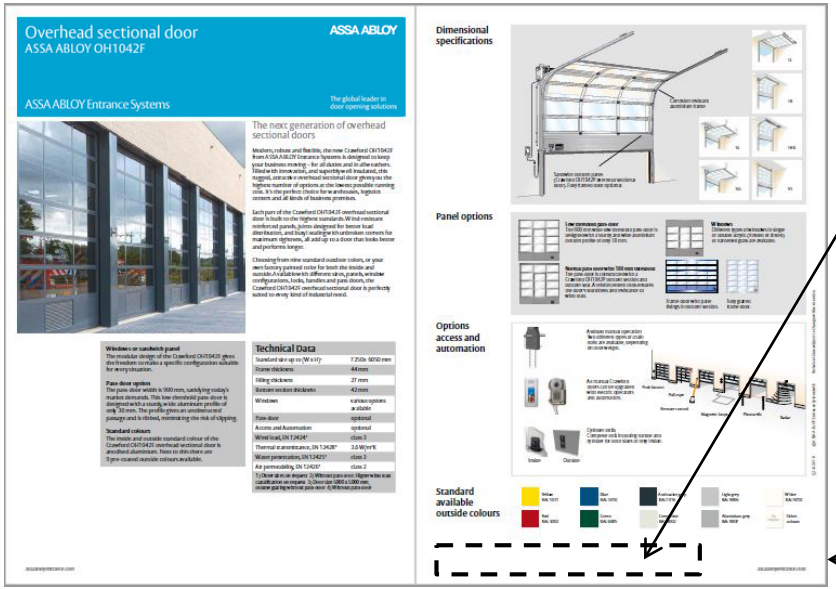

All external information (including media) referring to ASSA ABLOY and ASSA ABLOY Entrance Systems **must be approved** by ASSA ABLOY Entrance Systems.

This concerns:

- Press information
- News items
- Photographs in news items and press info
- Advertising
- Social media channels:
  YouTube, Facebook, LinkedIn, etc.

Please note: Contact your ASSA ABLOY Entrance Systems marketing representative for further support!

Approved documentation

Area for your logo +
"Distributor of ASSA ABLOY Entrance Systems"
+ your contact info and website.

Please contact your ASSA ABLOY Entrance Systems marketing representative if you need help.

As per original – ASSA ABLOY Entrance Systems corporate website:

www.assaabloyentrance.com

Advertisements

There are two ways of working with advertising:

1.

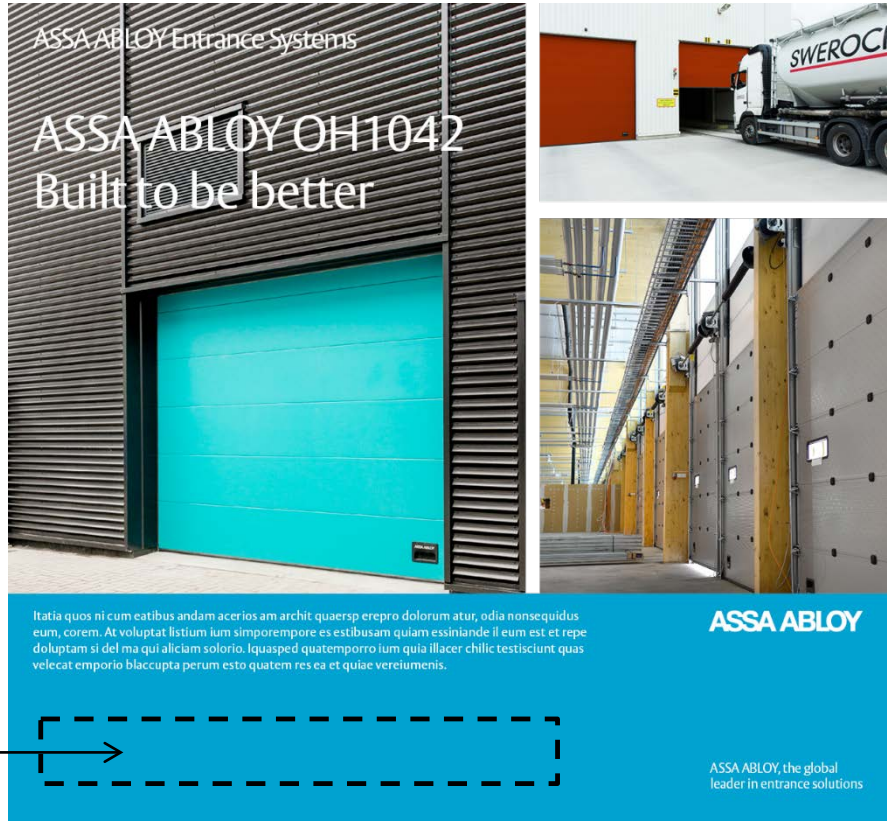

ASSA ABLOY Entrance Systems official adverts:
You can use our official ads and we support with adding your logo and contact details to our ads, see example on the next slide. Contact your ASSA ABLOY Entrance Systems marketing representative to discuss possible picture adaptations and/or text adjustments.

2.

Integrated in your advertisements:
We also give you the possibility to utilize the ASSA ABLOY product pictures in your local advertising.

Se detailed information and example.

Official adverts

Area for your logo,
contact info and website

Integrated in your advertisements

We also give you the possibility to utilize the ASSA ABLOY product pictures in your local advertising. Please consider the below restrictions:

- The advertising must have your company name, brand and design elements as sender
- Contact your marketing representative for access to ASSA ABLOY Entrance Systems official product pictures with correct product branding as per ***December 1st 2017***
- Ensure that the ASSA ABLOY Entrance Systems product names are used correctly
- The advert may only contain promotion of the ASSA ABLOY Entrance Systems products in your portfolio
- Please send your advert suggestion to your ASSA ABLOY Entrance Systems marketing representative for approval
- Distributorship statement text must be used when using ASSA ABLOY Entrance Systems promotional material: **”Distributor of ASSA ABLOY Entrance Systems products”**

Integrated in your advertisements

Please note: Ensure you send the advertising for approval to your marketing representative.

Distributorship statement text must be used when using ASSA ABLOY Entrance Systems promotional material:

”Distributor of ASSA ABLOY Entrance Systems products”

Official ASSA ABLOY Entrance Systems product photo integrated in your advert

Exhibitions

When you plan to participate at a fair or exhibition with your company and would like to integrate ASSA ABLOY Entrance Systems products in your stand, please consider the following guidelines:

- Contact your ASSA ABLOY Entrance Systems marketing representative for access to our official product pictures and material, and for input on how to best display our product offer
- You can only promote the ASSA ABLOY Entrance Systems products in your portfolio
- Ensure that the correct official product names are used for the products you promote

Contact your ASSA ABLOY Entrance Systems marketing representative to see what product promotion material is available, for example roll-ups, brochures, posters, banners, etc.

Please note: *y*our exhibition stand may not signal or be perceived as an official ASSA ABLOY Entrance Systems exhibition stand. Always use your company name, brand and design elements.

Your service vans & company cars

When promoting your company on your service vans and company cars, the design must not give the impression that you are an ASSA ABLOY Entrance Systems sales company but that your represent your company.

We would like to clarify that you, our distributor, is the customers' service provider.

Please see guidelines on next the page.

Please note: you are **under no circumstances** allowed to copy or make your own modifications of official ASSA ABLOY Entrance Systems design, layout and/or content material to make it your own sales promotion material; digitally or printed.

Your service vans & company cars

When your company is authorized to perform service on ASSA ABLOY Entrance Systems products the following guidelines apply:

- You are allowed, **if authorized by ASSA ABLOY Entrance Systems**, to have a disclaimer on your service cars promoting that you are a service representative of ASSA ABLOY Entrance Systems
- You may not copy the ASSA ABLOY Entrance Systems' service vans/cars design

Contact your ASSA ABLOY Entrance Systems marketing representative to discuss the usage of ASSA ABLOY Entrance Systems product pictures, brands and other promotional material on your service and company cars.

Branding on your website

We encourage you to promote the ASSA ABLOY Entrance Systems product offer you represent on your professional corporate website. Please note the following guidelines:

- You may under no circumstances copy the design and layout of the ASSA ABLOY, ASSA ABLOY Entrance Systems website
- We encourage you to use photos from our image bank, contact your ASSA ABLOY Entrance Systems marketing representative for support
- Product names must be correct and the reference to ASSA ABLOY Entrance Systems must also be correct – as stated in these guidelines
  - Always write the full company name “ASSA ABLOY Entrance Systems”
  - ASSA ABLOY Entrance Systems is your supplier, and you promote our products

Please note: Contact your ASSA ABLOY Entrance Systems marketing representative for further support!

We welcome links and references to the official ASSA ABLOY Entrance Systems website, www.assaabloyentrance.com/.xx (.xx local site if applicable) and our official social media channels
