Recommended Spare part list

Sr. No	Part Name	Size specification	Qty
1	Slats	4320 mm	10 Nos
2	Bottom	4320 mm	02 Nos
3	Gear Box	-	02 Sets
4	Handles	-	05 Nos

Note – Since the installed shutter quantity is high, we recommend you to keep the above mentioned parts in your stock.

The slat length has been taken considering the biggest supplied shutter size (4170 mm) from which, if required, the slat for small sized shutter can be modified.
